Wynnum's original Wesleyan Methodist Church building opened on August 30, 1890. 120 years later, this gorgeous family home located on a large 923m sq block in the heart of Wynnum, showcases its transformation that one can expect from owners who have continued to respect and enjoy its unique features, whilst incorporating the modern touches of today's living.

Be captured by the high ceilings, polished timber floors and original solid timber Heritage archway as you journey through the open living, kitchen dining combination to the modern family room and deck which overlooks the pool and spa.

Adjoined to the front and side wrap around deck, the three bed accommodation offers privacy and your own piece of tranquillity. Side access to the large back yard and neatly nestled to the rear of the property is the powered, 3 car double lock up garage / studio or workshop.

A prime piece of real estate, this family residence is complemented by its easy access to Wynnum Central train and public transport, local amenities and Esplanade. Surrounded by eateries, sporting and health facilities and fine local schools, makes this an enviable spot for any family looking for that large parcel of land in the highly sought after Bayside suburb of Wynnum. It's a fabulous package not to be missed.
